MEET US AND EXPLORE OUR MICROLEARNINGS CLIPS!

We invite you to the meeting during which you will get to know our interesting video clips for Teachers and Trainers in Vocational and Educational Systems.

First event dedicated to Microlearnings users took place in France in June and attracted large group of professionals. Other meetings will be held in September in Austria, the UK and Poland.

During the meeting you will get to know unique videos that will help you in your work:

- ✓ How young generations learn, how to prepare apprentices for training and motivate them for work;
- ✓ How to develop effective and authentic leadership and how to build open organizational culture;
- ✓ How to work with new generation's perspective, their values, needs and expectations and how to develop their potential and talents;
- ✓ How to recruit apprentices and create an inspiring working place;
- ✓ How to resolve the conflicts between apprentices and how to deal with cyber mobbing and social media.
